Principal's Message

Education is an instrument to enhance the capabilities of human beings to become knowledgeable, creative, and good citizens which resulted in my urge to develop an excellent educational facility. I am extremely happy as principal of Seth Hirachand Mutha College of Arts, Commerce & Science to host the International Multidisciplinary Conference on "Empowering equality: Breaking Barriers, Building Bridges, Uniting Voices for Gender justice" It is a justified gesture to provide a platform for the researchers to present their work and seek experts' evaluation that provides insight into the work undertaken. The themes and sub-themes for this conference are indicative of relevant research areas to give the prospective authors innovative propositions about the ambit of discussion I hope that the presentations, discussions, appreciation, and suggestions will help in improving their research work. I appreciate the contribution of the Advisory Committee members, the keynote speaker, and all the resource persons for their valuable insights on the subthemes of the conference. I also extend my heartfelt wishes to all the participants who have contributed in making this conference a great success. It gives me pleasure to write for the proceeding of the Multidisciplinary Conference an important event. Conferences of this magnitude help the researchers to interact amongst themselves as well as experts in various areas. I take this opportunity to extend my best wishes to all the participants of this conference for their future endeavors and also aspire that more and more people opt for research and bring laurels to themselves and the field of education.

Thank you!

Mrs. Anuja Sarvesh Brahma
Principal,
Seth Hirachand Mutha College, Kalyan
